

Lead me in the way that time has proven true

You made me

now let me

love me for that.

Let me shake my wet wings dry

and fly each dawning day

across all the oceans

You intended me.

Let me muddy my feet

along every mountain trail

You intended me.

Let me utter the words,

sing the songs,

dance the dances,

and love the ones

You intended me.

Behold me in daylight

as well as dark moonless nights.

Unveil each hidden corner

and covered capacity to remind me

there is no escape

from all

You intended me

to be.

Let me be that

and I will be true.
